Dear Mr. Edwards:

It was good talking with you at the recent meeting in Majuro. At that time you introduced me to Mr. Ken Kedi and Mr. Paul Lalita, both of whom are interested in our AUI/BNL training fellowship.

In an effort to bring one (or both) of these individuals to BNL, I would be most appreciative if you would contact them, reminding them to forward to me copies of their transcripts and two letters of recommendation.

I am most grateful for your assistance, and look forward to beginning the traineeships.

Sincerely yours,

Edward Kaplan, Ph.D.
